

BORG ORIGINAL WHITEPAPER

Introduction:

BorgOriginal an innovative cryptocurrency with unique features and utilities. Part of the GleekBrand ecosystem, BorgOriginal aims to redefine the cryptocurrency space with its innovative double reflection token and high-yield utilities such as NFTs, staking, a lottery system, borgBLOC Classic and a P2E game, borgBLOC.

Tokenomics:

Zero Buy Tax:

Why zero buy tax, well to be taxed at your initial buy is discouraging to say the least. Zero buy tax allows investors to Get's more Gleek tokens for your buck! It also gives holders maximum % on reflections. The larger your wallet the more tokens are allocated from the 6% reflection mechanism.

20% Sell Tax:

Why 20% sell Tax, this was Designed to encourage the mindset to Hold for Wealth. Its intention is for holders to realize actual gains if they have to hold to at least 30% to pull profits. Once the gains are visualized the hope is it garners investors to pull only profits with responsible selling. Thus allowing the chart to remain strong for not just the posterity of their continued investment but also the communities investments as a whole. With the ultimate goal to discourage FOMO sells.
